Brave in the Attempt:
Celebrating 50 years of Special Olympics Oregon  Traveling Exhibition

In the early 1970s, Special Olympics established state-level programs to connect athletes with their local communities. In 1972, Special Olympics Oregon was officially founded on the same principles of using sports training and competition to increase acceptance and inclusion of children and adults with disabilities.

The Brave in the Attempt: Celebrating 50 years of Special Olympics Oregon traveling exhibit consists of three, three-sided pop-up kiosks that highlight the impact Special Olympics Oregon has on the athletes and the Oregon community.
