Clink! A Taste of Oregon Wine explores the story of Oregon wine and some of the moments that make up its history. Featuring 12 collapsible banners, this traveling exhibition spans over 150 years, from the pioneers who brought grapevines on the Oregon Trail to the winegrowers who blazed a new trail in the 1960s to the innovations continuing to take place across the state. Learn about the seasonal workers who support an entire industry and the dedication of people who have grown, made, and embraced Oregon wine.

Celebrate the wonders of Oregon wine and the people who make it possible in this unique, engaging traveling exhibit produced by OHS in collaboration with local history organizations and industry leaders.
