

Oregon's Landmark Legislation

Traveling Exhibition

THE OREGON
HISTORICAL
SOCIETY
FOUNDED 1898

Oregon has repeatedly led the nation in creating, revising, and implementing laws shaping the quality of life of its citizens. While Oregon's innovations have evoked controversy, they have charted the course for other states and nations.

The 16 panels in this traveling exhibit can be displayed as a table top or a wall-mounted display. The panels highlight groundbreaking legislation that Oregon has passed since statehood. Arranged chronologically, the window panels present legislation that focuses on environmental, social, and land use issues.

Rental fees and shipping costs are waived through 2022 thanks to a generous sponsorship by the Samuel S. Johnson Foundation!

Oregon's Landmark Legislation was curated by Dr. Stephen Dow Beckham with researchers Erica Stevenson Boyne, Jessie McClendon, Amanda Tillstrom.
